(740) Blessed Law Firm Ltd of Nartzalus House Building, 3rd Floor, No 548, Gasabo

(510) (1) Chemicals for use in industry, science and photography, as well as in agriculture, horticulture and forestry; industrial chemicals; chemical preparations for use in the manufacture of pharmaceuticals; chemicals for the manufacture of protective and decorative coatings; unprocessed chemicals; chemical raw materials, substances and additives of all descriptions included in the class; active chemical ingredients; surfactants, starches, proteins, silicones, acids, alkalis, esters, epoxy resins, silicone resins, acrylic resins and artificial resins, solvents, glycerine, vitamins, bonding and debonding agents, chemical additives to fuel and oil, emollients, pearling agents, defoaming agents, thickening agents, emulsifiers and flocculants included in the class; chemical additives for polymers; unprocessed electroconductive polymers; chemical additives for use in stabilisation; phosphates; borax; unprocessed artificial resins, unprocessed plastics; amino acids for industrial and scientific purposes; chemicals for the purification of amino acids; chemical additives for printing inks; chemicals for use in industrial water treatment; chemicals for use in pulp and paper manufacturing; chemicals for the treatment of water and wastewater; chemicals for the treatment of boiler and cooling water systems; chemicals for industrial purposes for use in the mining, bio-refining, oil and gas, food and beverage processing, chemical processing and power industries; surface coating removal chemicals and tank surface and media cleaning chemicals for municipal water systems; chemicals for industrial use in reverse osmosis systems and other membrane applications; chemicals for industrial use in reducing or removing fouling in reverse osmosis systems and other membrane systems; polymers for use in industrial and municipal wastewater and water treatment applications for liquid and solid separation; chemical charge control agents for use in industrial and municipal wastewater and water treatment applications; chemical demulsifiers for use in the field of oil exploration, production and processing; foam control agents and antifoam agents that reduce/eliminate foam and/or entrained air in industrial systems; hydrophobic sizing agents that provide liquid and grease resistance to substrates and promote water resistance in water soluble/sensitive systems; unprocessed synthetic wet strength resins for use in the manufacture of substrates in order to impart strength to substrates; chemical dry strength additives for use in the manufacture of substrates in order to impart strength to substrates; chemical synthetic temporary wet strength additives used in the pulp and paper industry in order to impart strength to substrates; chemical creping and release aids for use in the manufacture of paper and paper board; chemicals for use in pulping cellulosic materials during the manufacture of pulp and paper products; chemical deposit control agents for use in pulp, paper and paperboard manufacturing systems; unprocessed formaldehyde-free synthetic resins for use in the building products industry; polymer based compositions that impart toughness to formulations and improve adhesion to low surface energy substrates used in the manufacture of commercial, industrial and domestic goods; chemicals for control of organic and/or inorganic deposits in pulp and paper manufacturing; fire extinguishing and fire prevention compositions; tempering and soldering preparations; chemical substances used for preparing, manufacturing and preserving foodstuffs; tanning substances; substances for tanning animal skins and hides; adhesives for use in industry; putties and other paste fillers; chemical preparations for the manufacture of paints and pigments, mould-release preparations; compost, manures, fertilizers; biological preparations for use in industry and science., (3) Non-medicated cosmetics and toiletry preparations; perfumery, essential oils; soaps; toiletries; cosmetics, preparations for the skin or hair; hair and skin emollients for cosmetic use; deodorants; non-medicated dentifrices; bleaching preparations and other substances for laundry use; cleaning, polishing, scouring and abrasive preparations., (39) Transport; transport and storage of oil, oil products, natural gas, liquefied natural gas and liquefied petroleum gas; consultancy services relating to the transport and storage of gas, oil and chemicals; storage, distribution, transportation, shipping, and delivery of gas, oil and chemicals; chartering services; chartering of vessels; freighting services; freighting transportation and distribution; supply chain logistics and reverse logistics services consisting of the storage, transportation and delivery of freight; mooring services; piloting services; packaging and storage of goods; logistics services consisting of the storage and packaging of goods; transport and delivery of goods; travel arrangement. and (40) Treatment of materials; recycling of waste and trash; air purification; treatment of water; water treatment and purification services; rental of water purification equipment; printing services; food and drink preservation.

providing access to databases; providing user access to global computer networks; providing Internet chatrooms in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; providing online forums in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; video-on- demand transmission; transmission of electronic mail; computer aided transmission of messages and images in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; transmission of podcasts; transmission of digital files in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; message sending in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content via a website; electronic bulletin board services as telecommunications services in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; data streaming; rental of access time to global computer networks; wireless broadcasting; providing access to databases featuring information content of websites and portals as communication services; audio, video and multimedia broadcasting via the Internet and other communication networks; electronic transmission of data by computers in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; consulting services in the field of communications services, namely, electronic transmission of data and documents among users of computers via communication networks; wireless broadband communication services using computer networks in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; data transmission by electronic means; electronic transmission of data by video broadcasting services; electronic data transmission, including audiovisual data, via a global computer network or the Internet; electronic communication services by electronic computer terminals in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; data transmission via electronic communication in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; electronic data exchange, namely, exchange of data stored in databases accessible via telecommunication networks in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; electronic messaging services in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; electronic messaging services via computers in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; rental of access time to computer databases; video and audio material streaming services on the Internet; electronic transmission and dissemination of data, including information, via computer networks and the Internet in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; electronic transmission of data, audio, video and multimedia files, including transmission of downloadable files and files

transmitted over a global computer network; transmission of information in real time; transmission (routing) of audio, images and digital signals., (41) Videotaping for tournaments, competitions, game shows, events in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; booking of seats for shows; sound engineering services for tournaments, competitions, game shows, events in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; organization of tournaments, competitions, game shows, events in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; party planning as entertainment; video editing services for tournaments, competitions, game shows, events in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; lighting technician services for tournaments, competitions, game shows, events in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; music composition services for tournaments, competitions, game shows, events in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; film directing, other than advertising films, in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; production of tournaments, competitions, game shows, events in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; film production, other than advertising films, in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; script writing, other than for advertising purposes, for arranging tournaments, competitions, game shows, events in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; presentation of live performances for tournaments, competitions, game shows, events in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; rental of audio equipment for tournaments, competitions, game shows, events in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; rental of show scenery for tournaments, competitions, game shows, events in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; rental of sports equipment, except vehicles, for tournaments, competitions, game shows, events in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; online publication of electronic books and journals, in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; publication of texts, other than publicity texts, in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; electronic desktop publishing; providing user reviews for entertainment or cultural purposes; providing information in the field of entertainment; providing online videos in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, non-downloadable; providing sports facilities; practical training as demonstration in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; training services in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, provided via simulators; games equipment rental; rental of sports training simulators; providing casino facilities for the services of gambling, betting, wagering, lotteries, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; gambling services; electronic game services provided online from a computer network; providing amusement arcade services; providing information in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content; organization of competitions in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for providing access to the related content live or via television, or online via computer databases, or via the Internet, or via portable, mobile, handheld or tablet devices; organization of lotteries, including live or via television, or online via computer databases, or via the Internet, or via portable, mobile, handheld or tablet devices; organization of sports competitions, including live or via television, or online via computer databases, or via the Internet, or via portable, mobile, handheld or tablet devices;

layout services, other than for advertising purposes; online gambling services provided via a computer network; virtual reality gaming services provided online from a computer network; providing online and offline gaming services for accepting bets; providing online and offline card game services; providing online and offline poker game services; providing online and offline game services, where the result depends on the mastery, skill of the player; providing online and offline game services for the control of entertainment games, in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for tournaments, competitions, game shows, events and for providing access to the related content; arranging, conducting and presenting, other than for commercial or advertising purposes, of tournaments, competitions, game shows, and other entertainment events in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, live or via television, or online via computer databases, or via the Internet, or via portable, mobile, handheld or tablet devices; multiplayer card game services provided live or via television, or online via computer databases, or via the Internet, or via portable, mobile, handheld or tablet devices; organization and conducting entertainment presentations; providing the aforesaid services online via computer databases, or via the Internet, or via portable, mobile, handheld or tablet devices; providing online game services for electronic games provided via the Internet; providing online and offline card game services for several participants. and (42) Computer system analysis in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; off-site data backup in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; research and development of new products for others in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for tournaments, competitions, game shows, events and for providing access to the related content; duplication of computer programs; electronic data storage; electronic monitoring of personally identifying information to detect identity theft via the Internet; providing information relating to computer technology and programming via a website; installation of a computer software; information technology services provided on an outsourcing basis; computer programming; conversion of computer programs and data, other than physical conversion; computer technology consultancy; telecommunications technology consultancy; Internet security consultancy; data security consultancy; information technology (IT) consultancy; computer software consultancy; computer security consultancy; consultancy in the design of websites in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; monitoring of computer systems for detecting unauthorized access or data breach; monitoring of computer systems to detect breakdowns; monitoring of computer systems by remote access to detect breakdowns; maintenance of computer software; updating of computer software; platform as a service (PaaS) featuring computer software platforms for use in database management; user authentication services using technology for e-commerce transactions; user authentication services using single sign-on technology for online software applications; hosting computer web sites; data encryption services; computer system design; rental of web servers; computer rental; rental of computer software; development of computer platforms in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; software development in the framework of software publishing in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; creating and maintaining websites for others in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; creating and designing website-based indexes of information for others using information technology services in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; cloud computing featuring software for use in database management; server hosting; computer system administration of user accounts in computer networks; computer-aided videographic design; development of software in accordance with the individual needs of the client in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; technical data analysis; development of interactive multimedia software; development of software for data conversion and conversion of multimedia content into various protocols; design and development of software for gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance, including for virtual reality; leasing of computer hardware; software development of Internet platforms in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; development and design of computer software for video games; testing of computer hardware and software; providing temporary use of online non-downloadable software for access and operation in cloud computing environments; software as a service (SaaS), namely, a web platform that provides software for viewing, detecting,

searching, configuring content, managing and exploring content in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; providing temporary use of non-downloadable computer software for computer games and gambling; providing temporary use of non-downloadable game software; research, development and design of computer software for a computer platform that includes one or more applications that contain functional and graphical elements in the field of gambling, betting, wagering, lotteries, casinos, card games, educational games, games, where the result depends on mastery, skill of the player and other games of chance; application service providers (ASP), namely, hosting computer software applications of others for creating, using, managing, monitoring and supervising online gaming and gambling portals, contests and tournaments, and for managing customer relationships and customer accounts; providing temporary use of non-downloadable software for creating, using, managing, monitoring and supervising on-line gaming, betting and gambling portals, contests and tournaments, and for management of customer relationship and customer accounts.

blockchain-based software technology and smart contracts; downloadable digital media, namely, digital collectibles created with blockchain-based software technology; digital materials, namely, non-fungible tokens (NFTs); digital trading cards; computer software for use as crypto-currency; security tokens; computer software downloaded from the internet; distributed ledger platform software; computer application software for blockchain-based platforms, namely, software for distributed applications; software for creating a decentralized and open source cryptocurrency for use in blockchain-based transactions; computer software, namely, software that enables unrelated users to develop, build and operate general purpose electronic data storage and shared computing capacity that is decentralized; downloadable cryptographic keys for receiving and spending cryptocurrency; downloadable computer software for managing digital collectible services, a market for transactions, and a registry using blockchain-based software technology and smart contracts for digital collectibles; computer software for managing and validating cryptocurrency and nonfungible tokens (NFTs) transactions using blockchain-based smart contracts; software which facilitates the ability of users to view, analyze, record, store, monitor, manage, trade and exchange digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; software for the management of cryptographic security of electronic transmissions across computer networks; software for managing and validating digital currency, virtual currency, cryptocurrency, digital asset, blockchain asset, digitized asset, digital token, crypto token and utility token transactions; software and hardware for use as a virtual currency wallet; software for use in the management and implementation of digital currency, virtual currency, cryptocurrency, digital and blockchain asset, digitized asset, digital token, crypto token and utility token transactions; digital currency transaction software for transactions involving cryptocurrency; computer software to facilitate secure transactions via computer and communication networks, in the fields of banking, bitcoin or digital currency transactions; software for sending, receiving, accepting, buying, selling, storing, transmitting, trading and exchanging digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; cryptocurrency exchange software; software for electronic funds transfer; computer software relating to the handling of financial transactions for transacting cryptocurrency; software for providing authentication of parties to a financial transaction; computer software and hardware for use in providing financial and advisory services in connection with the exchanging, trading, updating, clearing, settlement, custody, investment and processing of digital currencies, commodities, cryptocurrencies or bitcoins; firmware for identifying near field communication (NFC) tags; near field communication (NFC) technology-enabled readers; pre-recorded optical discs; compact discs containing music, graphics or computer programs; computer peripherals; computer bags; mouse mats. and (42) Design of computer software for the utilization of blockchain technology; design of computer software to facilitate the transactions of cryptocurrency and nonfungible tokens (NFTs); providing software for sending, receiving, accepting, buying, selling, storing, transmitting, trading and exchanging digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; design and provision of online platform to facilitate the transactions of cryptocurrency and nonfungible tokens (NFTs); technical consultancy services related to digital currency transactions software for transactions involving cryptocurrency; design, development, and implementation of software for blockchains; software development, programming and implementation in connection with the use of blockchain technology for transacting cryptocurrency; design of digital artwork and images for commercial use; providing temporary use of on-line non-downloadable software for use in developing, building and operating general purpose electronic data storage and shared computing capacity that is decentralized; technical consulting and advisory services with respect to general purpose electronic storage and computation services that are decentralized and distributed; providing temporary on-line use of non-downloadable software for use in trading, clearing, confirmation, and financial trading risk management for exchange market transactions in the field of digitized assets such as bitcoins, cryptocurrency, fiat currencies, collateral for derivatives, derivative contracts, virtual currency, or digital currency; application service provider featuring application programming interface (API) for developers in the field of digitized assets such as bitcoins, cryptocurrency, fiat currencies, collateral for derivatives, derivative contracts, virtual currency, and digital currency for creating, managing, and analyzing data on distributed public ledgers and peer-to-peer payment networks; providing on-line non-downloadable computer software for use in blockchain technology; platform as a service (PAAS) featuring computer software platforms for use in developing software in the field of digitized assets such as bitcoins; software as a service (SAAS) and platform as a service (PAAS) featuring software for use in connection with providing a digital platform for navigating digital art, crypto-collectibles, nonfungible tokens and other application tokens, and non-fungible token marketplaces and auctions; platform as a service (PaaS) featuring computer software platforms for the selling and purchasing digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; software as a service (SAAS) and platform as a service (PAAS) featuring software for trading, viewing and managing digital art, crypto-

collectibles, non-fungible tokens and other application tokens; software as a service (SaaS) featuring computer software platforms for the selling and purchasing digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; software as a service (SAAS) featuring software for facilitating audio, video and digital content creation, subscription services and one-time purchases; cloud computing; authentication and certification of data relating to cryptocurrency and nonfungible tokens (NFTs) via blockchain; authentication services relating to jewellery, precious metals, precious stones and works of art; user authentication services using technology for e-commerce transactions; web design and web development for the Internet and Intranet; worldwide web related computer services in the nature of web hosting and content creation for web pages; hosting of digital content on the Internet; computer services, namely, creating an on-line virtual environment for the selling and purchasing of digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens.
